Large fireworks display by Allstar Fireworks

Welcome to our latest catalogue for the 2017/2018 season.

We are changing the way we sell fireworks to our customers, this is due in part to the large number of displays we fire around the 5th November. We closed our showroom at The Stables at the end of 2016, However WE WILL STILL BE SELLING FIREWORKS. We now offer you the option of Placing your order on line (Click & Collect) or pre order by telephone on 01895 435000. Your order will then be packed and made ready for you to collect and pay.

We are streamlining our product range by removing a number of smaller items but keeping many of the popular larger display fireworks. Most now have video clips to help you choose.

Our range of fireworks have been chosen for their performance and reliability to give you the best display possible, we will back that up with a "Replace for free guarantee" if your firework fails, please ring us for full details.

All our products comply with British Standard BS7114 pt 2 1998 and C.E Regulation EN15947 so that you can buy with confidence.
